Mr. Gallegos:

Attached please find a signed and Notarized Reclamation Contract, along with an executed Reclamation Surety Bond Amendment for the above referenced Exploration Program. Once it has been approved, please forward a copy to me and Summo for our files. As I indicated in our initial drilling request, and phone conversation last week, Summo would like to initiate drilling by April 10, 2000. Your assistance with this matter is greatly appreciated.

If you have any questions regarding this request, please contact me at the listed letterhead number.

Sincerely,
